THE OWASSO CHAMBER OF COMMERCE

MESSAGE FROM PRESIDENT & CEO

Chelsea Levo Feary

Dear Chamber Members & Investors,

As we present the 2026 Chamber Investment Catalog, I want to begin by expressing my heartfelt gratitude to our 2025 Investors. Your commitment and investment allowed us to not only sustain but also strengthen our mission—empowering businesses, building connections, and advancing the economic vitality of Owasso. Your belief in the Chamber made a measurable difference in our programs, services, and community impact.

This year marks the exciting implementation phase of our Owasso Forward Strategic Plan. Shaped by your feedback and insights, this three-year vision is guiding us as we expand our programming, refine our services, and build a Chamber that is responsive to the evolving needs of our members and investors. Owasso Forward is more than a roadmap—it's a promise to deliver intentional, future-focused value in everything we do.

We're also proud to introduce a brand-new investment tier: the Emerging Investor. Specifically designed for small businesses just getting started, this tier offers a cost-effective way to boost exposure, access benefits, and build meaningful connections—providing a strong Chamber foundation before they're ready to grow into higher investment levels.

Our BusinessTHRIVE business retention and expansion program is getting recharged. In 2026, we're launching enhanced training for our Chamber Ambassadors so they can play a stronger role in outreach and engagement, ensuring our members feel supported, heard, and connected.

Looking ahead, we're expanding our educational offerings by adding more Small Business Workshops, instructed by Owasso Chamber members and designed to tackle real-time challenges and opportunities for growth. And for those seeking connection outside of business hours, we're excited to debut a new Member Mixer—an evening event focused on relaxed, meaningful networking.

Thank you to our Investors – past, present, and future – for believing in the power of partnership. I encourage you to reinvest in the Chamber's mission and momentum. Together, we are shaping the future of business in Owasso—stronger, smarter, and more connected than ever before.

With gratitude and optimism,

Chelsea L. Feary

MEMBER NETWORK SERIES

Investing in an Owasso Chamber of Commerce Event Series offers an exceptional opportunity for businesses to gain consistent and influential exposure throughout the year. Our event series, such as the **Monthly Membership Meetings (M3s)**, **Business Over Breakfasts** and **Member Mixers** are a cornerstone of our community engagement, drawing regular attendance from key local business leaders, entrepreneurs, and stakeholders who gather to network, learn, and collaborate.

By sponsoring an event series, your business will enjoy sustained visibility across all meetings within that series, ensuring your brand remains top-of-mind within the business community. Your sponsorship will be highlighted in promotional materials, event invitations, social media posts, and on our website. This continuous exposure builds brand recognition and reinforces your company's commitment to supporting local business initiatives.

In addition to branding opportunities, Event Series Investors receive exclusive benefits such as the ability to address attendees during meetings, display promotional materials, and additional brand exposure. These touchpoints create valuable opportunities for direct engagement with potential clients and partners, fostering relationships that can drive business growth and collaboration.

MONTHLY MEMBERSHIP MEETING

The Monthly Membership Meeting (M3) is a signature Owasso Chamber membership event held seven times a year on the first Wednesday of the month. Each meeting, hosted over lunch at Owasso's Tulsa Tech Conference Center, brings together at least 150 businesses and community leaders, offering exceptional networking opportunities. Attendees can expect great presentations from top-notch speakers and engaging panel discussions, making M3 an invaluable experience for business professionals looking to connect, learn, and grow within the community.
